Summary

Professional with versatility, skilled in both competitive programming and web development. competent with current web technologies, such as HTML5, CSS3, and JavaScript; adept at handling challenging coding problems; knowledgeable about data structures and algorithms. devoted to providing top-notch solutions and keeping up with market developments. My Portfolio

Skills

Framework/Database/Tools   Reactjs , Tailwindcss,Nodejs , C/C++ , JavaScript , Python ,HTML,CSS, figma, Data Structures and Algorithms, Database Management Systems, Fullstack Web Development , UI/UX, Git and Github

Projects

Restraunt App *(Frontend)*   *GitRepo*

- Created a restaurant app using React.js that offers full functionality including sign-in and login options, a payment page, and a cart page. The app enhances the dining experience with a seamless and user-friendly interface.

My Portfolio *(Frontend)*   *Git Repo*

- All my project related info and detailed are show there

Tour and Travel Website *(Frontend)*   *Git Repo*

- Developed a tour and travel website using React.js, featuring a static navbar with trip options and a secure payment portal.

Work Experience

Frontend:

- - React.js : Used for creating dynamic user interface

- Advanced Javascript: Used for Web interactivity, dynamic content, client-side scripting, enhancing user experience.

- Tailwind CSS: Allows utility-first styling for responsive design.

- HTML and CSS: Forms the basis for structuring and styling the website.

Competittive Programming:

- C/C++/Python: Software development, system programming, data analysis, scripting, automation, machine learning.

- Data Structure and Algorithm: Efficient problem-solving, optimizing code, handling large data, algorithm design.

Certifications

- Proficient Coder at Geek for Geeks and Code Studio   -

- 200+ problem solved at Geek for geeks and Code Studion   - Geek for geeks

Education

- **2020**-**20222** Schooling from VV Niketan Patna (with 91.2

- **2022**-**2026** Bachelor of Technology at **Dr. B. R. Ambedkar National Institute of Technology Jalandhar**
